Language: English
Finding Aid: Nathan Magnuson, 2018

Archival collections are stored at a remote archival facility. Please contact the Museum & Library at least 48 hours in advance of your visit to view an archival collection.

Biographical Note

Dwight McNelly was born in Chester, Illinois, on February 7th, 1921. He enlisted June 30th, 1942, and reported to Fort Dix, New Jersey for Basic Training. This was followed by moves to Camp Rucker, Alabama, and Camp Pickett, Virginia. He landed in Oran, Algeria, on January 26th, 1943 with the 32nd Station Hospital, where he initially served in the surgical section, but switched to the physical therapy section of the hospital shortly after. The 32nd Station Hospital moved to Tlemcen, Algeria, in February of that year. In December, the 32nd Station Hospital moved to newly liberated Naples, Italy and then finally to Caserta, Italy, where McNelly remained until he departed for the United States in September of 1945.

Dorothy Eggers was born in Mt. Vernon, New York, and joined the WAAC on the tenth of December, 1942, and headed to Ft. Benning in Georgia, where she would remain until her honorable discharge on August 30th, 1943. McNelly and Eggers married after the war, and had one daughter.

Scope and Content of the Collection

The Dwight McNelly and Dorothy Eggers collection consists of official documents and personal papers, correspondence, postcards, photographs, medals, and newspapers related to McNelly and Egger's time in the service. Eggers compiled a large scrapbook with many photos, cards, newspaper, and some badges from her time in WAAC.

Arrangement

The collection arrived in no discernable order. Staff has arranged the collection. The collection consists of three series:

Series One: Dwight McNelly Papers

Dwight McNelly's papers consist of a calendar, address books, postcards, religious or military pamphlets, correspondence, poems and short stories by McNelly, and other papers like a letter written in German and McNelly's separation papers.

Series Two: Dorothy Eggers Papers

Dorothy Egger's papers include military documents, V-Mail to Eggers, postcards to and from Eggers, miscellaneous documents like letter fragments and newspaper clippings, as well as a scrapbook. The scrapbook arrived in poor condition and was unbound and catalogued in original page order.

Series Three: Photographs

Photographs arrived mostly in binders or envelopes, the majority of which were labeled. These photos were kept in original order. Others were loose, and these were ordered by date. This also includes a military portrait book, which included two photos of Eggers. McNelly's photos contribute twenty folders, and Egger's photos contribute two folders.

Rights

Copyrights held by Jessica Weyant were transferred to the Pritzker Military Museum & Library. All other rights are held by the author or publisher. Users assume responsibility for following copyright laws as established by US Code Title 17.

Separations
