Biographical Note

Theodore N. Yelich was born on March 11, 1924. From Serbian descent, Yelich lived with his parents, Nicholas and Emma (nee Borman) and sister Emily, in La Salle Illinois. His father was a cookie salesman, working for Iten Biscuit Company and Independent Baking Company. He graduated from La Salle-Peru Township High School & Jr. College in 1942.

He was inducted into the Army in February 1943, under the category of limited service. Yelich was first sent to Scott Field, Illinois, where he spent several weeks. March 28, 1943, he was transferred to Clearwater, Florida to begin his basic training. A month later he was sent to St. Petersburg, Florida as a drill instructor in the Army Air Force 608 Training Group. Several months later, he was transferred to Buckley Field, in Denver, Colorado in the 336 Squadron where he performed various duties.

In January 1945, he was promoted to Private 1st Class. Sometime between May and September 1945, he was sent to the Philippines, where he stayed at least until January 1946. He was released from the army March 1, 1946.

Later on in his life, Yelich was a board member and chairman of the board of Lutheran Child and Family Services of Illinois. He last resided in Brookfield, Illinois. He died on January 18, 2005 at the age of 80.

Scope and Content of the Collection

The Yelich collection is primarily made of correspondence, mainly letters but also postcards and cards, between Yelich, his family and friends during his time in the Army (1943-1946). The second most significant group of items is newspaper clippings, most of them cartoons. In addition, there are also some Army documents, receipts, and photographs.

Arrangement

The collection is divided in four series. Within each series, the items are arranged chronologically into 3 legal boxes and 1 oversize box.

Series One: Letters sent by Yelich, 1943-1945, n.d., Box 1-2

Description: The materials in this series are personal letters that Yelich wrote home to his parents, Nick and Emma, and sister Emily, while he was serving the military. They included several photographs that have been put as separate series. Items in folders are arranged chronologically.

Series Two: Letters received by Yelich, 1942-1946, n.d., Box 2-4

Description: These are letters that Yelich received from his parents and sister, but also from friends, and other family members while in service. They included many paper clippings separated from the letters in the last folder of the series. Items in folders are arranged chronologically.

Series Three: Miscellaneous, 1942-1944, n.d., Box 4

Description: Letters sent to the Yelich family in La Salle from friends, some of them in the Army. Paper clippings that were not originally with the letters, as well as addresses, receipts, cards and other materials dated before Ted's time in the army. Ted's army induction documents. Items in folders are arranged chronologically.
